

DNTTAOTLLEOCETTESOOSERELISRHAOHR

1. Stick a full-stop after the middle letter. (QY5:1)
 - All letters up to the full-stop are now in group A.
 - All letters after the full-stop are now in group B.
2. Starting with the 1st letter of group A and adding to it the first letter of group B, doing the same with the 2nd letter of group A and the 2nd letter of group B and repeating that way of decoding, rewrite the 'word'.
3. Add slashes as to where the spaces should be and read the sentence, you now have.
