

When you know
what's right,
stick to it.

Jesus' purpose
that 1st Easter was
to make a new way
for us to be friends
with God.

He persevered even though it would be hard for him,
because he knew what his goal was,
he loves people very much and he knew he would succeed.

From Jesus' example of perseverance, even when it's tough
to:

- Keep focussed on the goal,
- Know what's important to us and
- Why we have the goal we do.
