

**Jesus, you're a cool dude**

**Forty days without food**

**Living your life by the golden rule**

**Got a smile on your face**

**Amazing grace**

**Spreading your love all over the place**

**Singing:**

**Je-sus, Je-sus, thank you. [Yeah, Thank you!]**

**Je-sus, Je-sus, thank you. [Yeah, Thank you!]**

**God, you made the universe  
Wanting us to love you first  
And live our lives by the golden rule  
Put a smile on your face  
God's great grace  
Spreading God's love all over the place**

**Singing:**

**Je-sus, Je-sus, thank you. [Yeah, Thank you!]
